Excuse me, nothing personal, but when it comes to Greatness issues around here, let it please be recognized that I am first and foremost (Mr.) The Mighty Lord BikerBot, (Duly Recognized Keeper Of The Book Of Heromorph), Champion of the Oppressed, Do-er of Good Deeds, and all around way cool God-type guy, so if there is any bowing to be done, it should be thrown my way.  
So Let It Be Yadda, So Let It Be Yadda-Yadda.
