Well, just so you guy and gal know, 'ol Darque is going through some rough times. The wife and I split up after a four and a half year marriage and we are getting a DIVORCE. However, this could be a good thing for Darque as he is told by friends, apparently the ladies dig single dads and there is plenty of other benefits as well.

So yeah, it hurts and I'm pretty depressed, I even put another dent in something. Instead of my hand hitting a vehicle and getting broken, my head hit concrete wall...no the head is not dented. But I'll get over it and cope. Do right by the kids and myself.

So if anybody wants to draw in some dead girls or vampi chicks hanging all over Darque, that would put a smile on his face.
