In an effort to bring this thread back to its original subject...

How about the comic book that practically invented superhero couples: LSH

Here's just some of the classic pairings:

Saturn Girl & Lightning Lad
Cosmic Boy & Night Girl
Timberwolf & Light Lass
Dream Girl & Star Boy
Karate Kid & Princess Projectra
Bouncing Boy & Duo Lass
Wildfire & Dawnstar
Mon-El & Shadow Lass
Ultra Boy & Phantom Girl
Brainiac 5 & Supergirl

I can't remember if Sun Boy, Shrinking Violet, Invisible Kid, Colossal Boy, Matter-Eater Lad, Chameleon Boy, and Element Lad had significant others.

And, of course, I'm dating myself because I believe all the names and pairings have changed in the new series.
