This was a great idea. I enjoyed doing it. It was so much fun!!!

Thanks Winterhawk! you da man! I know how much work it was to put this together, but it was well worth it. I hope you have the energy for a Smackdown 2!!

Everyone submitted some fantastic stuff, but I want to give special props to Shump and Daruma. Submitting photomanipulations instead of 3d art, was considerably more difficult, but their work was both stunning and hilarious. On effort alone, they get my vote!

Keep up the great work guys!
