You know, I never said this before, but I think this time he means it...

If you are a registered user at Heromorph, I would highly recommend that you vote on the crossover images shown on the main page. These artists worked very hard on these images and it isn't right that only a handful of registered users voted. Not to mention the Moderators that organized this contest(from both HM and C2F)... you owe all of them a vote.

It is your duty to vote. Not to mention if you don't vote... bad things might happen to your account... like it might just disappear. BWAAHAHAHAHAHA... no really... it might.

So, quit being lurkers, visiting just for the superhero porn, and go vote... it takes 5 seconds... maybe 3, if you are a lazy a\$\$ worried about getting banned.

Quit staring in disbelief that I am going to go postal on User Accounts and VOTE..... NOW!
