HEROMORPH Rawcks! HEROMORPH is the BEST! If HEROMORPH were a woman, I'd lay her down and make sweet, sweet love to her!

I want to thank everyone that voted for me during the SUPERHERO SMACKDOWN competition. I appreciate the show of support and will endeavour to maintain the quality that you have become accustomed to.

SMACKDOWN was a boon to me. It was something I could get behind. I think I became a better artist as a result of all the work that went into so many (too many?!) pictures.

I want to thank Winterhawk for coming up with the idea of the SMACKDOWN, and for not ending it prematurely as he was tempted to do.

And I want to apologize that this message didn't come sooner. Unfortunately, the motherboard in my computer took a major crapper on me the day the results came out! I just the old girl back yesterday.

Uhm BB3... you have a little brownstuff on your nose... no not there... the other side.
There ya go... you got it.

Glad to hear you got your Machine back... now I get to look froward to some more BB3 art! Keep it coming.
