Well, I'm not exactly new here. . .

But I just recently gave up my Lurker ways and posted a Fanfic. Since the world didn't end I started to post a few comments here and there. . .

But as for my name, the term Samsquanch may be familiar to some of my fellow Canadians - at least those familiar with Showcase's Trailer Park Boys.

For those poor souls trapped in the Godless Neatherealm below the 49th Parallel Trailer Park Boys is a comedy series about a group of guys who continually try to lie, cheat and steal their way to a big score but whose plans are usually undone by their own stupidity.

"Samsquanch" is the way that fan-favourite character Bubbles mis-pronounces Sasquatch (Bigfoot). Because Bubbles is afraid of the Samsquanch he usually describes them in humorously profane ways.

Since I have never been able to come up with good names on my own I adopted the mantle of the Samsquanch.
