Lady Heromorph is now going to be having an ongoing challenge. I hope you guys take part. To start she has provided a number of base images for you Manipppers to tackle. No worries, there are no Due dates for the Lady Heromorph Challenges. Once you complete an image Just post it in the gallery and let us know in your post that it is a challenge picture and give us the challenge number.

Future challenges will include things for both 3d and 2d Please check it out. More challenges Will be added in the future.
