- 1) Maybe the categories are confusing, or folks aren't taking them "seriously". There's sure an obvious lack of nominations. My particular problem is, I can't remember anything that happened before last Tuesday.
- 2) Having said that, I nominate myself for **most shameless promoter** and **curmudgeon of the year** !
- 3) All jokes aside, seriously, *no fooling...* I nominate **Android's** [Sci Fi Homage](#) for **most clever concept manip** and/or **best manip of oneself or other member** awards, despite the fact that the sun is of insufficient mass to ever become a nova.
- 4) I also nominate **sonnyLUCIFER's** [X3 - Dark Phoenix](#) for the **funniest manip** award.
- 5) Finally, I nominate **MissVee's** [BatGirl's Bra Stolen?](#) for the **I don't know why, but I just love this** award.
