A battle? More like a great addition to our galleries. It has been a tennis match between all these great 3D artists. ( I wonder if anyone will get that?) Different looks, different styles, different greatness. (that goes for every one vishesfish mentioned  
) None of y'all had better quit posting or I will have to ban you.

(yeah... even you Hawk  
)

Anyways guys... great work... keep it up!

Ubald.... did you say "to boot"?  
(too many Canadian jokes..... I kid)
