TY Winterhawk, I'm glad you liked it...

Hey everyone, if you have any ideas let me know, I'll try to work 'em in for version 2.0... A few have told me it's too fast, so I have decided, Quality over Quantity...

More along the lines of Alex's commercial, only faster...

Remember, this is your commercial too people!!!!!!

Let's fix it if it's wrong!!!!!!

See you on the flipside....
