I challenge YOU, voltron2000! [gauntlet bitch-slap!]

You dare... DARE!... impugne my artistic might! PEON! [gauntlet bitch-slap]

The weapons shall be the Poser freebie characters on this site: Winterhawk's She-Hulk and my own Blue Beetle. The theme: TEAMWORK! The scene must contain a building, an animal, and the sky. The components must be rendered.

The judges: the esteemed TARTANNINJA, the much-respected Biohaz_Daddy, and an as-of-yet undertermined third (whom I am assured will be equally lauded!).

The deadline: January 3rd in the year of Our Lord 2007. 10 o'clock post meridian Central Standard Time.

TAKE THAT, KNAVE! [gauntlet bitch-slap]
