hey TL,

if the Waychowski Brothers are doing it, it should be decent. I just hope they keep the theme. preferrably without a hiphop/rap interlude in it.

Yeah, you are right...

The Matrix-es.

V for Vendetta

Bound

Uhm... what else have they done. OH, thats right... that is ALL they have directed and they are all Top quality movies(note the sarcasm) that I will NEVER see again and I still wish I had my 9 hours back from the matrix trilogy. Jeezus. What a whip. Which brother decided that it would be a good Idea to kill Neo... That is not how you end a 9 hour trilogy.

The only thing they have made, that they really didn't have anything to do with, that was halfway decent was The Animatrix.

So yeah, a Speed Racer done by those two jacksticks is going to be a huge turd. Suck fest. Sh!t sandwich. I think you know what I am saying... it is going to SUCK!
