Well, I admit I've been fooled by your superb photomanip. (the Poser addict inside me is sitting in a corner and blushing) I've seen some pictures of Victoria 4 and her much improved muscularity morphs, so I thought she could achieve such results. (BTW, I don't own V4 and probably will never, as I hate both her 'barbie doll' design - she has no genitals - and daz3d who tries in every way to hinder artists making erotic/porn pictures with their models.)

All in all, it's still a gorgeous photomanip!!

My sincere compliments for it!

My praise goes to Jessica Alba, too, and to the model who provided the body (wonderful and very fit!)
