hey guys, i was wondering if you guys could do me a favor? could someone make me into a female verison of Two-Face? I wanna do that look for Megacon this year and wanna see how it would look. i have some pics on my myspace account, but if you need a good one, just drop me a line.

thanks guys *kisses all around*

Sure. Here, take a look at my version...

If you didn't see it, it's because I didn't bother to do one.
