hey all,

this is for our friends North Of the Border. you definitely have some SWEET looking honeys.this is a unofficial survey as to who you think the Sexiest Canadians are in order. here are some names and you get to rank them in hotness:

Pamela Anderson  
Trish Stratus  
Bianca Beauchamp  
Sharon Bruneau  
Tricia Hilfer  
Nelly Furtado  
Natasha Henstridge  
Missy Peregrym(actress in STICK IT)  
Victoria Pratt  
Jamie Pelltier(skater)  
Isabelle Brasseur(skater)  
Catrina LaMay-Doan(speedskater)

there you are. if you have any to add, feel free to do so. as far as I'm concerned it's a three-way tie with the first three names. anyone else have a thought?
