Hey All

Most of you know that I am a civilian contractor over here in Iraq, my adopted sister, really best friend I just call her that, just found out her brother was killed in an abmush Sat. I would like to have a piece commisiond in his honor in either Poser or ink. I have a picture for the background that I would like used and then I would like the American flag at half staff with the boots kevlar dogtags and M-16 with it. Please let me know if you are will to take the job and what you will charge. I would llike for this to be a last tribute to a true hero.
