Thought I would let all of you know, the Army captured 4 of the 6 insurgents that killed my sisters brother. The other 2 were killed during the raid. You can read the article here.

<http://www.stripes.com/article.asp?section=104&article=43039> I found out about the 2 getting killed from some other friends that knew about the raid. This news helps but it doesn't take all of the pain away.
