Man I am truly sorry for yours and every other service family's loss. I'm not sure exactly what you are looking for in an image but I would consider it an honor to do it for you. You can take a look at my gallery and let me know if you want me to work something up. Since you mentioned it I'll tell you up front I won't accept any payment for it. Let me know if your interested. Again I'm very sorry.
