dear friends,

we are gathered to mourn the passing of one Anna Nicole Smith. may she rest in peace. I was wondering if anyone could a request for me in her honor. tis such.

FART QUEEN: Anna Nicole Smith

stands grinning over tied up victims surrounded by green methane cloud.

skintight tan bodystocking with Riddler-green attached mid-calf booties(no heels), Riddler-green attached mid-forearm gloves, Riddler-green F with crown on top on chest.

thanks for the many sweet wet dreams and memories, Anna and as Elton John sings "your candle burned out before your legend ever did." Rest in peace.
