Had a problem with one of those sites, so I looked around a bit. I found a decent assortment, although many are smallish, at the WWE site:

<http://www.wwe.com/superstars/raw/mickiejames/>

and some more, with some larger ones, at:

http://www.sexywrestlingbabes.net/Pages/Mickie_James/001.htm

More links to other wrestling babes on the side there, so might be some decent base pics.
