Thank you everybody.

There was a bit more to it than just slapping a tiera on all the candidates. I tried to inject a bit of humor too!

I thought I said I wanted to wear the panti...hmmmmm, let me think.

OK, if I can wear the bustier, I'll go for it.

Meanwhile, a serious question. Since it seems that this thread is here for a while longer...when R we gonna start charging it rent? I've noticed that some of the shingles on the roof are looking kinda drab...JrMcD's little box in the bathroom closet is looking kinda worn and torn...the batpole from the 3rd floor to the 1st floor kitchen needs re-gilding...and my room in the basement could use another coat of paint. Plus, the phone bill has gotten outta hand; what with 'SOMEONE' calling "1-900-'Hot'-'Thrd'...at all hours of the night, might I add, and leaving the seat down in the lavatory!

So...who wants the job of telling this 'thread' of ours it's time to get a job...or something!!?
