Fun list! And fun comments reading!

On the site, there were links to some other fun, comic-related threads:

[Draw Batgirl](#)

[Draw Supergirl](#)

Warning! These threads can be voracious time-sucks.

They're the reason I generally avoid the internet. It's like a 24-hour, never-ending, free candy store and I'm a chubby little kid with no parental supervision or bedtime...

P.S. Love the smileys for Pirate Month!
