Thanks for your feedback so far everyone.

To answer some of your questions.

MissVee, this new section is for completed comic book stories, single pages or even a couple of pages would not be considered for this gallery. currently the Moderators are voting on the page min for this section but we are thinking around 3 or 4 pages with cover and logo as the min requirement for this new section.

Jediadept, I have only been working on this for about a 2 months on and off. I did a few other projects. I did the cover and the first 2 pages in the end of Jan. and didn't touch it again until Mar. During the beginning of March, I made the poser characters/textures I would need for the rest of the book. Pages 10 thru to the end, I did this past weekend

Glad everyone seems to be enjoying it.
