hey all,

I was thinking as this is Dagger week, perhaps someone could try this link:

www.lia19.com/covers/86v3.html

I also came up with a character who is sort of an AU/"evil twin" of Dagger. her name is Darkblade and her "energy blades" liquify a person's organs and crystalizes his blood. her outfit is like Dagger's except black. for the model, I was thinking of the following:

Aria Giovanni

www.aria-giovanni-model.com/tgp/aria_giovanni/image012.jpg

anyone interested?
