...much much better than the silly Disney version, and as much as I like the silly Disney version, I'd rather see a serious comic book adaptation according to the more serious original novel.

Hey, what's wrong with Disney's Jungle Book? How can you go wrong with the late Louis Prima singing "I Wan'na Be Like You"?:

Oh I'm the king of the swingers,  
Boy, the jungle VIP.  
I've reached the top, and had to stop,  
and that's what botherin' me!  
I wanna be a man, mancub,  
and stroll right into town.  
I'll be just like the other men;  
I'm tired of monkeyin' around!

Oh, oobee doo!  
I wanna be like you!  
I wanna walk like you,  
Talk like you, too!  
You'll see it's true,  
that an ape like me  
Can learn to be, like a human too!

Nothing at all man, nothing at all? I guess you could say that it's got all the "Bare Necessities"

Look for the bare necessities  
the simple bare necessities  
forget about your worries and your strife  
I mean the bare necessities  
Oh, mother natures recipies that brings the bare necessities to life.

Wherever i wonder, wherever i rome  
i cant be fonder of my big home!  
The bees or buzzing in the trees  
To make some hunny just for me,  
when you look under the rocks and plants  
take a glace at the fancy ants.  
and maybe try a few!

The bare necessities of life will come to you,  
they'll come to you.

Look for the bare necessities the simple bare necessities  
Forget about your worries and your stife  
i mean the bare necessities,  
thats why a bear can rest at ease  
with just the bare necessities of life  
Now when you pick a par paw for a prickly paw  
and you prick a wrong paw  
well next time bewear  
dont pcik the prickly pear with s prciky paw  
try to use the claw,  
But you dont need to use the claw when pcik a pear,  
off the big paw paw,Have i given you a clue?

The bare necessities of life will come to you,  
They'll come to you.
