Some that come to mind are

Cathy Ireland, The Farah poster, Heather Locklear, Catherine Bach, Betty Paige, Marilyn on the grate, Tawny Kitane on that car in the Whitesnake video, Cindy Crawford, Cristy Brinkley's proolly in there somewhere, as well as Madonna in her "like a virgin" years, some might argue Cher with Sonny or even on that naval boat showin her ass, and there's proolly some old fogey bastard still droolin at ancient pics of Catherine Hepburne, what about Rebecca DeMornay in Risky Business in front of that window with the wind blowin her nakeys everywhere
