Well, Masterchief...I believe that particular bike was a GSXR.....

And Jr. I'm not spamming another site, I'm spamming my page on another site and asking who else in Heromorph is a member of that other site. It's no different than spamming your own personal website.

Besides, its not Heromorph...it's me... I was just looking for something new. I miss the excitement and the way things were.... no no...don't cry... I'm not breaking up, I just think we should see other sites.....

oh baby please don't do that.....
