Well Hello,

I guess I can throw my .02 in the hat and give up the secret of my name. I came up with my nickname after retiring from the Navy Seals as a Senior Masterchief. After spending 2 1/2 years in Nam I got bored with the whole military thing, so I stormed a castle belonging to some guy named Doom, and shot myself into the future I don't know how far. Once I got there I found myself in the middle of, you guessed it, another war, and mankind was getting its ass kicked! I found some scientists and started working with them on a suit of armor that looked kickass and would increase the strength of the wearer 10 fold. While I was doing that, those beaker jugglers went and made a super soldier of their own to put in the suit. I of course had to train them in the art of warfare, American style so we could kick those banana headed aliens out of our part of space. Of course I made it back in one piece after the war was over and I went to a Video game company and sold the rights for a kick ass game they call Halo. Now I could tell you how this all ends but that means you wouldn't go out and buy the last part of the video game that will reveal the ending, SO I AM NOT GOING TO TELL YOU!!! So there
