My name is real simple, it is my initials followed by a year that has some importance to me.

Recently Bio made an avatar for me that is based on my name. He is Blue Heroman (or Blue Hero Man) and he is a hero from 1954.

Not much more to say except that I am not a very good artist (but I try) and I don't get to spend enough time working on my art.

I really like Heromorph and all of it's great mods and members and will stick around as long as you all will have me (or can stand me).
