why don't I post them here? Is that what you would like to know Hawk??? eh...probably because they generally have absolutely nothing to do with the superhero genre. The darkest thing in that category I think I have drawn and posted here, would probably be my Venom. Outside of that they tend to be monster and creature designs that I and some friends use in Palladium fantasy or Beyond the Supernatural d20 games...cuz Dungeons & Dragons sucks anymore. yes I just admitted Im a bit of a gamer nerd.....let the first fanboy that is without nerdiness cast the first polybag.
