Hi, can I ask someone to delete this two pics I post before?

<http://heromorph.com/heromorph2/modules/myalbum3/photo.php?lid=3341>

<http://heromorph.com/heromorph2/modules/myalbum2/photo.php?lid=3704>

I realize they are most of a sketch thing and they don't belong among this beautiful images you guys have here.

Maybe some day I share with you some of my scketches in the forum or post some drawings, but to draw something I need to be inspired or bored and now SUMMER is coming and I will have my hands full!

Sorry for the inconvenience and thanx again.
