I've entered two on Saturday and STILL they are nowhere to be found. What's the hold up? It seems that although I have posted here a few times already, so I'm no stranger, my entries either take forever to be posted or they never do and I have to keep re-submitting them over and over. Can someone please check into this? And yes, i realize that I accidentally may have used FF:2 instead of FF2 for these submissions, but STILL, shouldn't they have atleast been posted to the Heromorph Gallery? This is getting a bit bothersome.
