I like her, Mr. TL. The only thing that disturbs me are the treatment with the clothes, the wrinkles. Nevertheless, this problem is a small one so the whole image pleases me, sir. Congratulations! Hmmmm... I see no hands here... Smart Mr. TL! Heh! Heh! Heh!

Hulk is, in my opinion, your best work! Simple like that! The best! You should finish and post it! And don't forget to color it! Of course, I can not remain in silence so... keep them inside the paper!

I think your recent works are getting better and better, sir.
