Um.. quite honestly I dont know.

I'm loath to sign up for anything on the internet since so much of it gathers grief... but I couldnt resist the temptation to try this photomaniping thing.

I picked a name out of thin air, posted my first pic, and lo-and-behold, I was hooked.

So Im stuck with my silly 'tryout' name and I'm sticking with it still... Simple, monosyllabic... Its like butter!

(only its not as tasty on toast.. and um.. butters not monosyllabic).
