On the side of BARRICADE when he is a Policecar...  
it says... "To Protect and Enslave" if I'm not mistaken.[/b]

Actually it said "To Punish and Enslave"

I saw the movie today; It wasn't a bad way to spend a Saturday matinee.  
Transformers came a bit after my time, so I didn't really have many preconceived notions about them; And I thought it was a very good production of what could have been a very bad movie.
