You have proved my point brilliantly.

What point? You asserted that I am egotistical, correct? Well, unless you have a serious mental disability, I find it hard to understand why you feel that my last comment to you has made your point. I'll admit, I am a bit wordy, maybe even a bit cocky when it comes to my ability to defend myself verbally. Perhaps, that is why you feel that I am a bit arrogant. and maybe I am, BUT NOT WHEN IT COMES TO MY ART SKILLS. Once again: as regards my manipulating skills..... I HAVE A LONG WAY TO GO! Now, can you understand that? That means that my skills are NOT ALL THAT GREAT at present. So, if you still feel vindicated in your foolish assumption about my "art ego", then you probably need to seek a mental health physician. I really think its that serious, dude. honestly, get help.
