hey,

well, I certainly did not expect Oscar winning acting.

I highly doubt the creator decided "Oh yeah! This is serious thought-provoking material!"

No one ever said anything about Thought Provoking. But it would be nice if the show was half way entertaining. The women on the show aren't even pretty enough for this to be an hour of "fluff". It really is the crappiest show I have seen in a long time. And that is too bad.

So, like you said... Don't Like it... don't watch it. Well, I will not be watching this series. The acting in this show makes Xena look Academy Award caliber.
