Well, I have a question: Which of the characters is Ming the Merciless? The reason I ask is because the guy they have portraying Ming now reminds me of an older and darker version of Flash Gordon.

And Ming the Merciless was the absolute head-honcho of Mongo and all of its moons, not some water baron who reminds me of a sadistic J.R. Ewing minus the ten-gallon hat.

Add that to the fact that he bears NO physical resemblance whatsoever to the comic book, movie or cartoon versions of Ming and you can see why I am confused.

Max Von Sydow as Ming the Merciless! Now there was a righteous villain if there ever was one.
