I don't understand, don't all the wonderful comic pages you've been posting count?

I am sorry, the rules clearly state at least one image per month must be on script. none of Android's images posted this month took place during the smackdown round 2 script. They all took place during the round 1.5 time period. Round 1.5 ended on July 31.

Android was going to be given a free pass to the next round because he has been pulling double duty as the Lady Heromorph artist though.
