In my opinion, almost every one should see this movie. Though I said every one should see it, a lot of people won't allow themselves this wonderful story because of the subtitles, don't make that mistake. It is however more of an adult's fairytale. Mind outta the gutter people it's not that kinda movie! As far as why should you rent it? Well. . . The story and cinematography work together to suck you in, and makes you feel like you're in the middle of the movie. You can feel the cold and the torment, the moments of love and comfort, and can almost taste the grape at the great table. In one word I'd describe it as Captivating.

Peace be the Journey,
