Sidekicks should be treated like pledges in fraternities, complete with paddling (I threw that in to appeal to BikerBot)

Okay, Kamehameha, lemme hear you say, "thank you sir, may I have another!"

Besides, our system doesn't work like the Real World of Comics. Everyone here has to be a Sidekick before he becomes a Hero...

Having said that, the moment Miss Vee becomes a Sidekick, she's mine! Paws off, Mr. 69...
