demonoid is back up for most of you guys.

This is the message I get when I try to go there.

We received a letter from a lawyer representing the CRIA, they were threatening with legal action and We need to start blocking Canadian traffic because of this. If you reside in Canada, that is the reason you are being redirected to this message. Thanks for your understanding, and sorry for any inconvenience.

Silly Canadians.....

And it still isn't up... but it looks like it will be soon.
