I think it's interesting that Nick Fury has been retconned to be black. As someone who has complete collections of "Sgt. Fury and his Howling Commandos", all of the Strange Tales appearances of "Nick Fury, Agent of Shield", and a complete run of the comic of the same name, I have pretty good recollection of Nick being caucasian.

Having said that, I think Samuel Jackson is a great actor and would do an outstanding job as Nick.

As long as they don't do "Snakes in my Armor"....
