Can anyboby sign? Even someone not from New York or a US citizen?

If so, you can count me in. I have only seen the Parade in the news or movies, but being a comic fan, I allways liked the Spidey being a part of it and makes me sad to find out he's not in it anymore.

Yes, OCP, anybody can sign, even if they don't live in New York or the U.S. Heck, I've had people from outside the country help me out with this.

And yes, I do count you in. Thanks for your support!

As for everyone else, let's pitch in!
