I also think that from the May Release Date they have planed, the Studio thinks it is Shite as well.

But Hawk... it will be the shattner floating on the top of the rest of the floaters.

Sorry Dar... Ultimate Universe or not... Nick Fury is a cracker. It was kinda like casting Vin Rhames... wait, no the other Giant.... Michael Clarke Duncan as King Pin. Come on.... It just goes against everything that we grew up with. I don't fear change... just fear changing all the characters I grew up with. Although that image that Dar posted does look a lot like Mace Windu.

I am sure Samuel will do a great job though.
