I visit HM a lot. Too much, maybe. It's a kind of addiction.

Likes:

1) The community of artists. Very diverse. Met some good people here.

2) Manips. I like manips better than 3D. Maybe it's because I can't figure out how to do 3D...

3) Comic art. I especially like the coloring, and I have learned a lot about coloring while doing it, and I probably wouldn't have done much if it weren't for HM.

Dislikes:

1) I don't particularly enjoy the Smackdown... I just don't seem to get it.

2) I miss having the "top ten" with icons based on the actual piece. The current ones are funny but I sometimes don't have time to click each one to see what it is.

Suggestion:

I miss the regular monthly "theme based" contests we used to have. We should bring them back.

Closing:

To paraphrase an old Marvel slogan, "Make Mine Heromorph"!
