Ah Heromorph...you have always been there for me. Never have you told me "NO" or cheated on me, you provide me with hours of entertainment and have always supported my artistic talents. You've allowed me to make many new friends via internet, however, it would be nice to meet some of them.

Heromorph, what would I have done without you? I love you.

btw, the neat little additions appear to be hit points, magic points and experience points bars..... sorta like a video game.....and according to my little bars, I'm dead. whats up with that?
