You are absolutely right. Too many people are self-important, girl-crazy, perverse idiots. They only like their own stuff. Or they want really big boobs. Or it has to be gay/ sadomasochistic porn. Or really shiny. It's obvious if you have ever seen MIB 'cuz K say it. A person is smart, but people are stupid, crazy self-centered sheep looking for someone to tell them their opinion (for now TV does it for them). That's probably why comments are so lopsided to.

personally, I like to believe that sometimes a cigar is just a cigar. And sometimes no replies is just no replies...because the post is bad.

sometimes...a lot of the time I see stuff on the site and I just think, why should I bother replying if you didn't bother to take the time to make something decent. Sloppy lines, poorly masked edges, flat colours, low quality mats that haven't been treated, 3d art that's phoned in with zero post work.

and god bless the people who take the time to avoid falling into those categories.

now if you'll excuse me, I have to get back to something very important...ME. I'm just crazy about this large breasted girl I'm working on.
