As far as I'm concern, I usually prefer to wait and see what the they do, so about the upcoming Hulk movie that's what I'll do. Just hope they don't screw it up and more action scenes and maybe some lines for the big green guy, I want to see "Hulk Smash".

But I have to agree with your opinion in the movies you mention, chillyplasma. And SpiderMan3, it was a desappointment to me

. I wanted to see more Venom in it. He only show up for 5/10minutes...What up with that?

As for Contantine, I liked it, but would prefer a different leading actor in it. Keannu Reeves is OK, but I just can't see him as Constantine...

Now, what I'm afraid they will screw up big time is the JLA movie that they are talking in the net.

Let's wait and see...
